(2) Accordingly, if—

 - (h) A copy of the determination can be found at: https://jac.judiciary.gov.uk/sites/default/files/sync/basic_page/moj_jupra_1993_scheme_guide_nov2014_web_3.pdf.

- (a) a person is entitled to a relevant redundancy payment and one or more other exit payments in respect of a relevant public sector exit; and
- (b) the total amount of the exit payments in respect of the exit would exceed the exit payment cap,

the relevant authority must reduce the amount of one or more of the other exit payments.

(3) Where this regulation applies, a payment of a relevant redundancy payment by a relevant authority may cause the total amount of exit payments payable to the person to exceed the exit payment cap, but only if all other exit payments by the relevant authority to which the person would, but for these Regulations, have been entitled to have been reduced to zero.

Payments made in connection with early retirement

8.—(1) Where these Regulations prevent a relevant authority from making an exit payment of the type described in regulation 5(2)(b) which exceeds the exit payment cap in respect of a person, the relevant authority must, as an alternative, make to that person or in respect of that person to another person, a payment of an amount not exceeding the amount of that exit payment.

(2) This regulation is subject to regulation 3(a).

Requirement to inform

9.—(1) This regulation applies to a person—

- (a) who has left employment or office in circumstances amounting to a relevant public sector exit; and
- (b) who is entitled to receive an exit payment in respect of that relevant public sector exit.

(2) The person must on or as soon as reasonably practicable after the day on which the exit occurs inform in writing all relevant authorities of which the person is an employee or which are responsible for determining the level of remuneration payable to that person in respect of a public office listed in the Schedule of which the person is an office-holder –

- (a) that the person is entitled to an exit payment;
- (b) the type of exit payment;
- (c) the amount of the exit payment;
- (d) the date that the person left the employment or office to which the exit payment relates; and
- (e) the identity of the relevant authority that is obliged or otherwise undertakes to make the exit payment.

Relaxation of the restriction

10. The power in section 153C(1) of the Act (relaxation of restriction) is exercisable, in relation to exit payments made by—

- (a) a devolved Welsh authority, by the Welsh Ministers instead of by a Minister of the Crown;
- (b) a local authority in England, by the full council of that local authority;
- (c) a fire and rescue authority in England, by the fire and rescue authority; and
- (d) the Greater London Authority, by the London Assembly.

Power to relax to be exercised following compliance with Treasury directions or with consent

11.—(1) The power in section 153C(1) of the Act must not, unless it is exercised with the consent of the Treasury, be exercised without compliance with any directions given by the Treasury applicable to the exercise of the power.

(2) This regulation does not apply in relation to payments made by a devolved Welsh authority.

Duties to keep records and publication requirements in respect of relaxation of the restriction

12.—(1) A person who exercises the power in section 153C(1) of the Act must keep a written record of—

- (a) the fact the power has been exercised;
- (b) the name of the person in respect of whom the power was exercised;
- (c) the amount and type of the exit payment in respect of which the power was exercised;
- (d) the date on which the power was exercised; and
- (e) the reasons why the power was exercised.

(2) A record under paragraph (1) must be kept for 3 years beginning with the day on which the decision is taken to exercise the power in section 153C(1) of the Act.

(3) At the end of each financial year in which the power in section 153C(1) of the Act was exercised, each relevant authority which has exercised the power must publish details of—

- (a) the amounts and types of exit payments made by the relevant authority in respect of which the power was exercised;
- (b) the dates on which the power was exercised; and
- (c) the reasons why the power was exercised.

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations restrict a body listed in the Schedule from making a payment of a prescribed description (“exit payment”) exceeding the amount specified in section 153A Small Business, Enterprise and Employment Act 2015 (2015 c.26) (“the cap”) to an employee or office holder in consequence of leaving employment or office (“an exit”) except in the circumstances set out in these Regulations. The cap amount is currently £95,000.

Regulation 3 sets out when the restriction applies in relation to an exit payment, or exit payments arising from multiple exits occurring in a period of 28 consecutive days.

Regulation 4 sets out the sequence in which multiple exit payments are treated as having been paid.

Regulation 5 sets out the types of exit payments that are subject to the restriction and regulation 6 sets out the description of payments that are exempt from the restriction.

Regulation 7 imposes an obligation not to reduce the amount of a statutory redundancy payment or the equivalent payment paid to civil servants or employees of certain prescribed public offices.

Regulation 8 imposes an obligation on a prescribed body to make an alternative type of payment in the event it is prevented from making a payment relating to early retirement by these Regulations.

Regulation 9 imposes an obligation on a person entitled to receive an exit payment to inform other employers or specified bodies in relation to holder of an office of prescribed matters.

Regulations 10 and 11 set the circumstances in which the restriction to make an exit payment in excess of the cap amount may be relaxed and regulation 12 imposes a duty on the body relaxing the restriction to keep records and publish details of prescribed matters.

A full impact assessment has not been provided for these Regulations as no, or no significant impact on the private, voluntary or public sectors is foreseen.
